

Quissett Yacht Club
56th Annual
ROUND THE BAY RACE

August 2008

Dear PHRF racer,

It's time for another Round the Bay Race.

Our mailing list is mainly composed of our last five years' competitors. We know that we are not reaching all the currently active PHRF racers. We would appreciate it if you would talk up the race with your favorite competition and anyone else who you think might be interested. Entry information and forms are available on www.quissettyachtclub.org.

We want to accept all possible entries, so if it seems a little late call, Fax or email. Communicate and we will probably be able to accommodate you. (You must have a 2008 PHRF certificate.)

We do not acknowledge entries. Competitors should pick up their Scratch Sheets from the race committee boat at the Quissett Harbor House Dock before 10:30 or on the starting line before 11:45. We will start the race on time (first boat at 1200 GPS time) barring unforeseen disasters.

The Scratch Sheet may not show all the boats that are starting with you. If it is windy some people switch to Cruising Class and get a new starting time. Occasionally there is a valid entry that is not on the Scratch Sheet. We try to notify the boats affected, but we are not always successful. Please assume that any boat approaching the line is starting and avoid contact appropriately.

Hope to see you September 6th.

Steve & Janet Chalmers
Co-Chairs of the Round The Bay Race
Race Committee
